I, **Gavin Rozzi**, hereby certify as follows:

1. I submit this Certification in support of Libertarians for Transparent Government’s Order to Show Cause.
2. Recently I filed two OPRA requests with the New Jersey State Police and they did not respond to either request within seven business days.
3. Specifically, on February 2, 2017, I filed an OPRA request with the State Police seeking logs and spreadsheets of Governor Christie’s helicopter use from February 1, 2016 to February 1, 2017. This request was labeled with Tracking Number W117580. The State Police took repeated extensions and did not fulfill my request until April 25, 2017—*a full 82 days later*.

4. On March 30, 2017, I filed a simple request for a copy of my prior February 2, 2017 OPRA request (W117580) because I did not have a copy of it from the online portal. A response to that simple request was not produced within seven business days. Instead, on April 12, 2017, *the 9<sup>th</sup> business day*, the State Police produced the responsive record.

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.
